What is a Free SIM?

Get the flexibility of pay as you go with our FREE SIMs.

It's dead easy, complete the form above, we'll send you your FREE SIM cards in the post. When you get them just pop your FREE SIM card into a T-Mobile phone or an unlocked mobile phone from another network, top up £10 and away you go.

Your £10 free credit can be used for international calls and texts and also calls and texts to UK mobiles and most UK landlines

You'll get up to 200 international minutes if you call countries at 5p a minute

Cheaper International calling

We've taken a hefty 25% off our international texts, up to 75% off mobile calls and up to 50% off landline calls - just get an International Pass.

International calls now start from just 5p a minute and texts from 15p each when you add our free International Pass to your account - it's available to all pay as you go customers and doesn't affect any of your other boosters or rewards.
