Internet on your phone

Enjoy the web on your pay as you go mobile from less than 20p a day

All the fun of the web — without the wires

There's so much you can do when you go online using your mobile:

Browsing and email

Go to your favourite sites and check your email while you're away from your computer.

BBC News

Discover what's happening across the globe (or around the corner) with up-to-the minute world, international and local news.

YouTube

Don't just watch great clips — upload, tag and share them too. You can also rate and comment on clips.

Facebook

Keep up with friends and family, update your status, poke people and share your photos — all on the move.

What kind of mobile internet user are you?

Need more help deciding which you want?

Occasional user

Pay as you browse

It costs just 50p for a day — and you only pay on the days you want to browse.

- ✓ No commitment
- ✓ Great for light use
- ✓ 50p for 25MB each day

Your **50p buys you 25MB** which is enough to watch a couple of YouTube clips, read up to 90 BBC News stories, and read and reply to around 100 emails.

No need to buy

Just start browsing — your 50p will be charged from your credit

Regular user

Web pack

Aweb pack costs £5 for 30 days. That's it — nothing extra, and no tie in.

- ✓ No tie-in
- ✓ Fixed cost
- ✓ £5 for 250MB for 30 days

You get **250MB** which is enough to read and reply to a whopping 5,000 emails, download 12 Google maps and read 4,000 BBC News stories during your 30 days.

How to buy a web pack

You can buy one pack every 30 days.

Get it with My account
