## Existing Customers

As an existing customer, if you joined O2 Pay & Go before 1 July 2010 and opt into O2 Rewards, you'll earn 10% back on all top-ups every three months. So, if you top up £50, you can get £5 back at the end of the quarter.

## New Customers

As a new customer, if you join O2 Pay & Go from 1 July 2010, and opt into O2 Rewards, you'll earn 5% back on all top-ups every three months. So, if you top up £50, you can get £2.50 back at the end of the quarter.

Even better, after you've been with us for six months, the % of rewards you earn will increase to 10%. Don't worry we'll be in touch to let you know as soon as this happens.

## Here's how

To join, text REWARD to 50202, or call 313 free from your mobile and start earning today. We'll send you a text message to confirm you've joined.

Keep topping up, and you can get money back every three months. We'll text you to tell you how much you've earned and how to claim or save your rewards at the end of the quarter.

The more you top up, the more you earn and there's no minimum top-up. The maximum you can earn is £150 a quarter - that's £600 a year.

## Keep up to date with your rewards

We'll send you a text message at the start of each quarter to let you know how much you've earned over the previous three month period and how you can claim or save your rewards. If you want to find out sooner, text BALANCE to 50202 anytime or call 313. It's free. From 4 July 2010 you can manage and keep track of your rewards online at [o2.co.uk/rewards](http://o2.co.uk/rewards).
